

US Army: Selected Nurse Practitioner/Optometrlist/Audiologist

Step 1: You have decided/been volunteered to attend the US Army Flight Surgeon Primary Course. Verify course availability through the [\[AFSPC Course Director\]](#)

Step 2:

- Schedule Class 3 initial flight physical with any local military aviation medicine clinic.
- Prior to departing to the flight surgeon course, obtain and bring the following to the flight surgeon course with your health records:
 1. Original, local flight surgeon-qualified flight physical
 2. Original, local flight surgeon-qualified Aeromedical Summaries, if needed
 3. Current and valid upslip

Step 3: Contact [\[AFSPC course director\]](#) to:

1. Notify of flight physical status
2. Verify seat in the class (seat typically won't be released/confirmed until two weeks prior to the start of class)
3. Verify orders and funding have been arranged
4. Update demographic data needed for course

Step 4: Contact Billeting to confirm room: DSN 558-2626 or commercial (334) 255-2626 or (334) 598-5216.

- Contact [\[Course NCOIC\]](#) for any problems, to include billeting not having a reservation for you.
